About us

Since 1965, the journey of Merino has been an extraordinary tale of evolution.

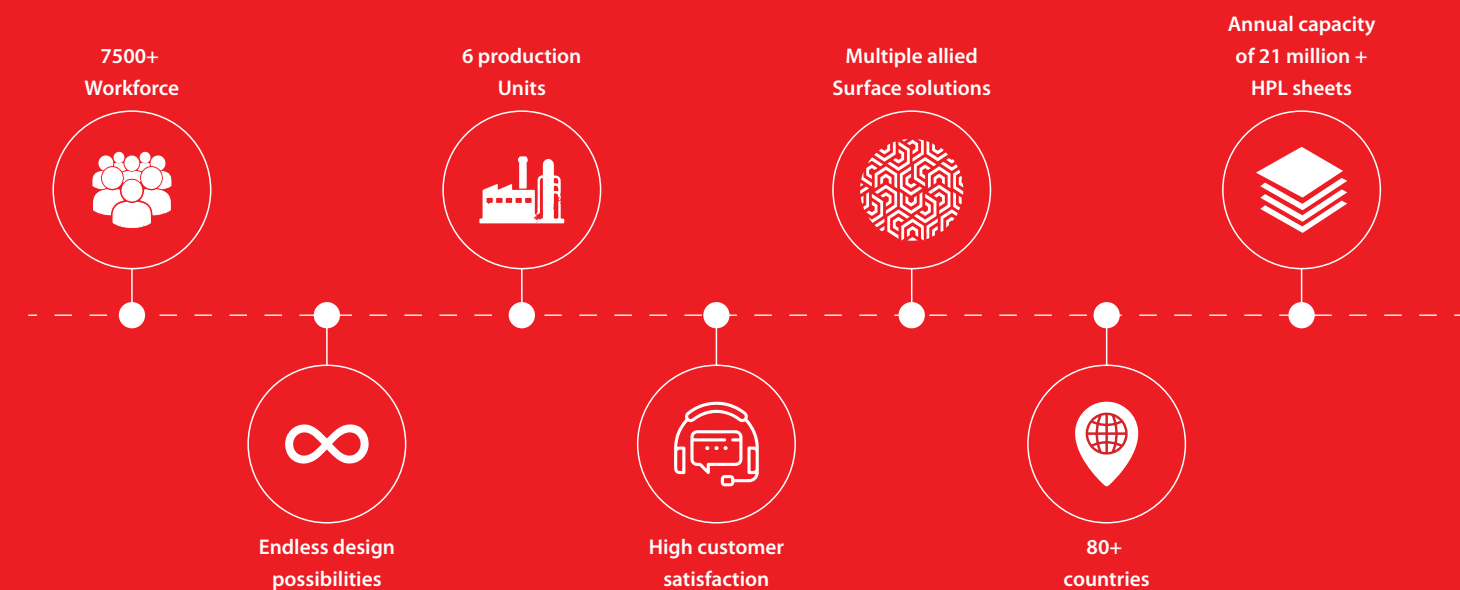

Beginning with the humble plywood, the group has constantly introduced new products based on top-of-the-line raw materials, production, and technology to achieve the podium on which it stands today.

As one of the world's largest manufacturers of decorative laminates the Merino group is globally recognised

as a leader in the industry of laminates and surface solutions. Products, technologies, and techniques may have evolved but one thing is always constant – our focus on quality and the zeal to bring world-class surface solutions for our customers.

Today Merino Group has a beautifully strong presence in over 80 countries with diverse business interests that expand from Interior Architectural

products to Information Technology to Food & Agro products.

Our business is built on the steady pillars of a globally relevant mission, a far-reaching vision & a strong three-pronged motto.

Our Vision

Global competence and global competitiveness in every line of business by synergizing western work culture & Indian ethos.

Our Mission

Universal weal through trade and industry.

Our Motto

Economy | Excellence | Ethics

Excellence in Economy is Economic, when founded on work ethics. Sustainable, when nourished by moral ethics.

Our Inspiration

Arise, awake and stop not till the goal is reached.

- Swami Vivekananda

DELIVERING IMPACT ACROSS 16 OUT OF 17 SDG GOALS

First step in INNOVATION

In our 55-year journey, one thing has been constant - innovation. Focused on this endeavor, we have explored every opportunity to add value to our products. Better raw materials, superior production and technology, higher performance standards - we stop at nothing but the best for our customers.

Carrying forward our legacy of innovation, we present this exquisite catalogue of mesmerizing surfaces that offers a laminate experience like no other. Along with its digital ensemble, it is the first of its kind in the industry.

Explore the innovative world of Merino laminated surfaces.

Where innovation counts

First and only Indian manufacturer to offer a haute matte finish with anti fingerprint properties- The "Luvih Range:Laminates, Postforming, Compacts & Edge Bands

Only Indian manufacturer to offer 4 times longer gloss retention than a normal gloss laminate making MR+ tuff gloss range of laminates the best in the industry.

First Indian Manufacturer to launch PU+ acrylic coated High Gloss Panels under the brand name of Gloss Meister

First Indian Manufacturer to launch Electrostatic Dissipative Laminates.

First Indian Manufacturer to launch Fire Retardant Halogen Free Laminates.

First Indian Manufacturer to launch Restroom Cubicles using Compacts

In-house SS plates manufacturing facility to continuously innovate with new textures while maintaining old texture plates.

Exclusive partner for ISI to establish and set standards for laminate quality in India.

First Indian manufacturer to produce 14x5 feet size sheets.

EVERY SURFACE IS YOUR PLAYGROUND.

The architecture of your home is the reflection of your mind. The aesthetics of your home is the reflection of your heart. Our surfaces are a reflection of both. When every door you open begins a conversation and every chair you pull adds more charm to your elegance. When every tabletop represents your taste, and every closet looks as good as the attires within. That's when your home becomes your own unique masterpiece.

OUR INNOVATION. YOUR IMAGINATION.

A house becomes a home when every space within it speaks like the one who lives in it. Merino celebrates a legacy of having decked homes that look like signed masterpieces. From the most intricate functional needs to the loftiest aesthetic aspirations, Merino meets all your expectations.

From grains that echo the spirit of forests to textures that exemplify modern architecture. From designs that resemble stones to the ones that redefine solid colours. At Merino, we have developed an assortment of finishes and textures for the creator in you. Whatever is your style - matte, leather, suede, brush, cement - explore from a wide range of Merino Laminates that are available in an array of designs, textures and sizes.

Merino Laminates believes that excellence and quality comes with a limited lifetime warranty and thus, we commit to Manufacturer's Lifetime Warranty for our products in various categories, keeping our promise of durability and distinction, across generations.

Our scientific and innovative manufacturing process imparts our range of laminates with significant durability and resistance to impact. We assure against manufacturing defects and damages, as per ISO 2046 standards, for nearly a lifetime– the best guarantee on the market.

To avail the warranty, applicable on all the Merino categories, kindly follow the care and maintenance guidelines. For more information, visit www.merinolaminates.com/maintenance-&-fabrication.html.

Terms & Conditions Apply.

For further details visit: www.merinolaminates.com/lifetime-warranty.html or you can write to us at customer@merinoindia.com.

Disclaimer : Prices vary with respect to type, finish, thickness, size and colour. Please consult with our branches/dealers/factories before quoting. Advance notice of intended discontinued items will be made known to our regular customers. Our company shall not be held liable for any consequences resulted from disruption of supply. High Pressure Laminates are meant for indoor use unless they are of exterior grade that are strictly on indent basis only. Avoid using on areas exposed to direct sunshine or light reflective areas.

Limited Warranty. Merino Industries Limited warrant that, under normal use & service, the material & workmanship of their products shall confirm to the standards set forth on the applicable technical data sheet for a period of twelve (12) months from the date of sale to the first consumer purchaser. Dealers & distributors are provided with the technical data sheets, which contain specific standards of performance of the product. In the event that a Merino Industries Limited product does not perform as warranted, the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at the manufacturer's sole discretion. This warranty is not transferable and expires upon resale or transfer by first purchaser. This warranty shall not apply to defects or damage arising from any of the following: Accidents, abuse or misuse, exposure to extreme temperature, improper fabrication or installation, improper maintenance. No other warranties, expressed or implied, are made. Under no circumstances shall the manufacturer be liable for any loss or damage arising from the purchase, use, or inability to use the product, or for any special, indirect, incidental, or consequential damages. No fabricator, installer, dealer, agent or employee of Merino Industries Limited has the authority to modify the obligation or limitation of this warranty. Terms of warranties shall be governed by Indian Laws and All Dispute will be subject to exclusive jurisdiction of Indian Courts

CARE & MAINTENANCE: GUIDELINES FOR YOUR LAMINATES

Storage & Carrying

Store the sheets horizontally with their face turned down. Place a thick hard board on top of the laminates to protect them from any kind of damage. Stock the laminates in such a way that older sheets will be used first. Store the laminates in a dry place to protect them from moisture. They should also be stored in such a way that they don't come in contact with the floor or walls. Always carry the sheets vertically. Don't slide the sheets, lift them while moving them from one place to another. Ideally 2 people should carry one sheet to avoid carelessness that can damage the surface.

Hot Objects:

Even though the laminates have high heat resistance, exposure to temperatures greater than 135°C is not recommended. Do not place hot frying pans or dishes directly from the oven or cooktop on the laminate surface. As a precaution, use a trivet or insulated pad to protect the surface from heat generating appliances such as pressing irons, toasters, curling irons and electric cookers. Prolonged exposure to temperatures above 65°C may result in separation of the laminate from the substrate.

Stains:

The laminates are resistant to stains belonging to Group 1 and 2. Stains of Group 3 and 4 should not be spilled on the surface. In case of spillage, the stains should be immediately wiped off.

Sharp Objects:

Never use knives or other sharp objects directly on the decorative surface. Use a chopping block or counter saver to protect the laminates.

Abrasives:

Abrasive pads, scouring powders or cleansers can permanently damage the laminates making them more susceptible to staining.

Impact:

The laminates have excellent impact resistance. However, dropping heavy objects or deliberately hammering directly on the surface may cause chipping or cracking.

Harsh chemicals:

Harsh chemicals such as oven cleaners, toilet cleaners, or drain cleaners will etch and discolour the decorative surface. The laminates are not designed to resist continual contact with these chemicals. If any of these products spill over the surface remove immediately, rinse thoroughly, and wipe dry.

CLEANING

- To clean the surface, use a damp cloth or sponge and a mild soap or detergent.
- Stains belonging to Group 2 such as coffee or tea can be removed using a mild household cleaner and a soft bristle brush.
- If a stain persists, apply a paste of baking soda and water and lightly scrub with a soft bristled brush. 10 to 20 should remove most stains. Although baking soda is a low abrasive, excessive scrubbing or applying too much force can damage the decorative surface, especially if it has a gloss finish.
- Stubborn stains belonging to Group 3 & 4 can be cleaned with undiluted household bleach or nail polish remover. Apply the bleach or nail polish on the stain and let it sit for no more than 2 minutes. Rinse thoroughly with warm water and wipe it dry. If the stain appears to go away and the colour of the laminate has not been affected, this step can be repeated.

WARNING

Prolonged exposure of the laminate surface to bleach will cause it to discolour. Acid based cleaners will permanently damage the laminates. Never allow these cleaners, or bottles, rags or other items contaminated with these cleaners, to come in contact with the laminates. Wipe such areas immediately and rinse thoroughly with water.

- Group 1: Acetone, trichloroethane, toothpaste, hand cream, urea, alcoholic beverage, natural fruit, fruit drink, meat, vegetable oil, water, NaCl (solution), mustard, soap solution, paint remover (kerosene), phenol and citric acid.
- Group 2: Coffee, black tea, milk (condensed and evaporated), cola beverages, vinegar, hydrogen peroxide (3% solution), ammonia (10% solution of commercial concentrate), nail polish remover, lipsticks, water colour, laundry marking ink, ball point ink.
- Group 3: Sodium hydroxide (25% solution), hydrogen peroxide (30% solution), concentrated vinegar (30% acetic acid), acid-based metal cleaners, shoe polish, hair coloring, iodine, boric acid, lacquers.
- Group 4: Citric acid (Zero % solution), acetic acid (5% solution).

IDENTIFYING A GENUINE MASTERPIECE

At Merino, we define something as a masterpiece when it meets your functional needs and reflects your unique aesthetic sense. But what makes a masterpiece last is its exquisite quality. Which is why we go to great lengths to maintain product quality while ensuring consumers can identify genuine Merino laminates using both technology and markings at key places.

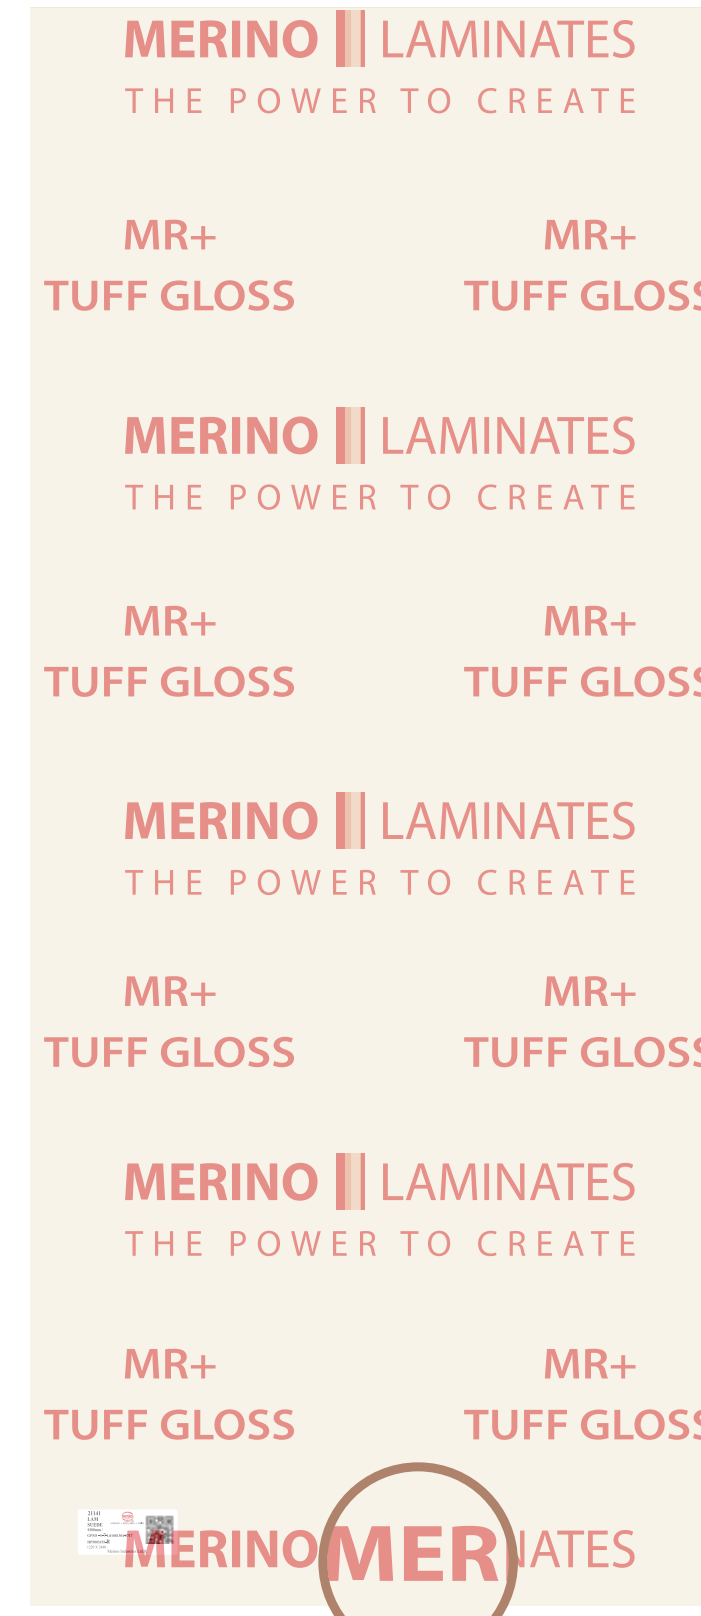

1) QR Code

The QR Code placed on the front bottom of the laminate sheet may be scanned to view the production details of your Merino Laminate.

2) Back Marking

The Back Marking located on the back in the center of the laminate sheet runs from top to bottom of the sheet. This marking contains information about the design number, finish and the grade of your Merino laminate.

3) Protective Sheet

This is a Branded Transparent protective film on top of Merino Laminates having glossy and mirror finish.

4) Brown Packaging Paper

A protective layer made of paper to protect your Merino laminates from any scratches while in transit or during storage placed on top of the laminate.

Breathe easy with the future of furniture

Welcome to the brand-new world of Merino Fabwood, India's first Health Friendly Super Strong (HFSS) chipboard. Made up of 100% sustainably sourced wood through managed agroforestry, Fabwood offers unlimited design possibilities with unique and exclusive designs.

RESTROOM CUBICLES

Customisable and modular restroom cubicle solutions with unmatched design and style
Highly customisable & modular | multiple shade possibilities Accessories in Zinc Alloy Nickel, Stainless Steel, Nylon, Aluminum

- Scratch Resistance
- Water Resistant
- Easy To clean
- Fire Resistant
- Anti Bacterial
- Made from 12mm or 18mm compact boards

SPECIFICATIONS

Merino High Pressure Decorative Laminates comprises of layers of specially selected paper, impregnated with melamine and phenolic resins pressed and hardened under heat and pressure. The process ensures strong bonding, resistance to boiling water and chemicals, and increases dimensional stability. Surface protection through special treatment renders all Merino Laminates scratch resistant. It is suitable for a wide range of applications such as wall linings, column claddings, doors, shelves, table-tops, work-tops, counters, vanity units, cubicles, lift linings, store fitting, displays, check out desk etc.

IMAGINO

Creating
Memories

 Highly
Customizable

**YOUR FAVOURITE IMAGE.
ON YOUR WARDROBE.**

Isn't that delightful? We custom-print laminates with images of your choice. Choose your precious moments and adorn any part of your home with your own beautiful memories.

Step 1:
Scan the QR code and
upload your favourite
picture.

Step 2:
We'll send you a preview
of the customized digital
lamine sheet by mail.

Step 3:
Post your approval, we'll
process the final personalized
digital laminate.

PERFORMANCE LAMINATES

FIRE RETARDANT (FR+)

Fire Retardant (FR+) is a special type of laminate which is halogen free in the category of fire-retardant laminates. As per ASTM standards, its performance belongs to Class 1 grade, making it an exclusive laminate resistant to fire. With suitable substrates and adhesives, FR+ can help prevent casualties and damage caused due to fire hazard.

Low Spread Of Flame

Halogen Free (Non-Toxic)

Self-Extinguishable

Impact Resistant

Highly Decorative

CHEMICAL RESISTANT (CHEM+)

Chem+ is a specially manufactured laminate composed of Electron Beam cured decor paper to withstand harsh chemicals like acids, alkalis and reagents. The superior resistance to chemicals makes it durable and suitable to be used in laboratories. Its outstanding quality and appearance give you the freedom to furnish these areas creatively.

Highly Chemical Resistant

SEFA 3.0 Chemical Spot Test(24 Hrs.)

Stain Resistant

Highly Durable

Scratch Resistant

ELECTROSTATIC DISSIPATIVE (ESD+)

ESD+ range of laminates has top layer with antistatic properties which is incredibly higher than other products available in the market until now. The special conductive layer guarantees safe discharge of static charges when used with appropriate earthing. This helps to reduce damage to internal circuits; leading to an increase in the productivity of electrical equipment by 30%.

Electrostatic Dissipative

Reduced Damage To Internal Circuits

Dust Repellent

All performance Laminates are made to order only.
AB+ & FR+: Available in the entire Merinolam range
CHEM+ & ESD+: Available only in selected designs

FINISHES

FINEWOOD (FNW) *New*
 FineWood is an authentic two-level wood pore: the fine all-over structure meets with a wider low gloss graining.

FLUTED (FLT) *New*
 The Milled finish works with two gloss levels and tactile depth in a straight fluted visual.

MOONSCAPE (MNS) *New*
 The MoonScape surface looks rugged, like a weathered stone which delivers a very natural and warm touch.

PINE SYNC (PSC) *New*
 A visual and a haptic finish, as close to the natural wood effect as possible.

ROYAL (RYL) *New*
 Inspired by India's rich heritage, the Royal texture boasts majestic arches that evoke a sense of grandeur.

SLANT (SLT) *New*
 Experience the dynamic Slant texture, featuring straight geometrical lines that intersect in diverse directions.

WOVEN (WVN) *New*
 Woven is a distinctive fabric look, a thick weave in two levels of gloss. The touch is dry, deep and tactile.

BARK (BRK)
 Bark finish is inspired by outermost layers of stems and roots of woody plants.

BRUSH (BR)
 Strokes that replicate the effect of a paint brush.

CEMENT (CMT)
 Rustic-effect inspired by concrete walls

CHIMERA (CMR)
 The impression created by the Chimera fire.

CROSSFIRE (CFR)
 Artistic representation of gunfire from two or more directions.

DEW DROP (DW)
 Delicate patterns that capture the freshness of nature, this carefully crafted surface finish brings your interior alive with the moist dew drop effect.

DRIZZLE (DZL)
 Progressive dash-like structure to imitate the effect of raindrops on a window.

FABRIC (FB)
 Comprises of ripples that imitate the soft movement of fabric.

FEATHER TOUCH (FT)
 Royal Matt with a smooth and creamy touch - Let your fingers feel the class".

FLICKER (FK)
 Horizontal ripples to emulate the effect of light flickering.

GEMSTONE (GMS)
 Hints of gloss juxtaposed with a super matte finish.

GRAINS (GNR)
 Features micro-dots to reproduce the texture of grains.

IMPRESSION (IMP)
 Authentic impressions of the bark of a tree.

MATT (MT)
 Non-reflective surface for an opaque look.

NUBUCK LEATHER (NL)
 Elegant finish that resembles the textures of man-made leather.

PEBBLE TOUCH (PT)
 Ultra-Smooth & natural finish with near to zero light reflectivity.

SUEDE (SF)
 Matte texture with a soft-touch similar to the suede fabric.

HI GLOSS (HGL)
 Highly reflective surface that gives a shiny look.

JEWEL (JW)
 Jewel is inspired from typically a single crystal structure cut into shape with flat facets.

MICROLINES (ML)
 Fine lines that feature very little gaps.

OPAL (OPL)
 Borrows inspiration from the unique finish of melted glass.

SAW CUT (SCT)
 Duplicates the impression of a wood-bark cut by a saw.

VALLEY (VLY)
 Wooden finish that features full-crowns of wood.

HORIZON (HRZ)
 Horizontal strokes of wood grain.

LINEN (LNN)
 Soft-smooth movements to mimic the movement of linen.

MONTE (MNT)
 Replicates the rich colours and patterns characteristic of the walnut tree.

PARRISH (PRH)
 Comprises of asymmetrical waves to give the impression of rustic wood.

STREAK (STK)
 A linear finish that reproduces the formation of straight wood.

VENEER (VNR)
 Replicates the natural finish of wood grain.

[Back to Index](#)

VENZA (VNZ)
Natural finish that comprises of half-crowned patterns of wood.

VERTILINE (VL)
A multitude of fine vertical lines.

WAVE (WV)
Free-flowing patterns to resemble the movement of waves.

WHITNEY (WTN)
Etched in a classic texture, the well defined rugged impression replicates the natural beauty of stone.
